16 Recovery of Sums from Contractor

Whenever under the Contract any sum or sums of money shall be recoverable from or payable by the Contractor to the Authority, that amount may be deducted from any sum then due, or which at any later time may become due, to the Contractor under the Contract or under any other contract with the Authority or with any department, agency or office of Her Majesty's Government

- 23.3 The Contractor will maintain all items of Authority Property in good and serviceable condition, fair wear and tear excepted and in accordance with the manufacturers recommendations.

24 Waiver

The failure of either the Contractor or the Authority to insist upon strict performance of any provision of the Contract, or the failure of either the Contractor or the Authority to exercise any right or remedy to which it is entitled under the Contract, will not constitute a waiver and will not diminish the obligations established by the Contract. No waiver of any provision of the contract will be effective unless it is expressly stated to be a waiver and communicated to the other party in writing in accordance with condition 19 (Notices).

25 Severability

If any provision of the Contract is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision will be severed and the remainder of the provisions of the Contract will continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

This Contract is enforceable by the original Parties to it and by their successors in title and permitted assignees. No provision of this Contract will be enforceable by any person who is not a Party to it pursuant to

the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of a third party which exists or is available independently of that Act.

29 Entire Agreement

The Contract sets forth the entire agreement and understanding between the Parties and supersedes all previous statements, documents and negotiations relating to the subject matter of the Contract provided that nothing in this condition purports to exclude any liability for any representation made fraudulently.

30 Dispute Resolution

- 30.1 In the event of dispute, the Parties shall negotiate in good faith to reach a solution. If they do not reach a solution within one month the Authority may refer the dispute to mediation. During the dispute the Contractor shall at the Authority's discretion continue to perform the Contract with all due diligence.
- 30.2 Where the Parties fail to reach agreement, either Party may refer the dispute to arbitration. Such arbitration shall be governed by the provisions of the Arbitration Act 1996. The London Court of International Arbitration ("LCIA") procedural rules in force at the date that the dispute was referred to arbitration shall be applied and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules. The tribunal shall consist of a sole arbitrator to be agreed by the Parties. If the Parties fail to agree the appointment of the arbitrator within ten (10) days of the arbitration notice or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA.
